- (i) Induction training of directly recruited Group A officers
- (ii) Specialized and periodic training for in-service officers,
- (iii) Induction training to Gr-B and C officers,
- (iv) Training to State/UT and other stakeholders in the area of indirect taxation,
- (v) Management and soft skills training for overall professional and personal development of officers,
- (vi) International cooperation and training activities in Customs, Narcotics, and other allied areas,

(vii) Any other capacity-building activity as may be assigned by CBIC from time to time, besides carrying out the normal administrative and establishment functions. In respect of the Centre of Excellence (CoE), it has been provided that it will undertake research work in the field of Indirect Tax and related areas.

4.2 As per the above mandate, NACIN Headquarters along with its Zonal Campuses, Regional Campuses and the Centre of Excellence work in tandem, catering to the various training requirements of CBIC officers, other government officers including those from States and the Union territories, and the international trainees. Some of the important trainings conducted by NACIN and its Zonal/Regional Campuses are as follows:

- (a) Induction Training of Direct Recruit Group 'A' Officers:** The newly recruited IRS(C&CE) probationers report at NACIN Palasamudram for Induction Training, and after their initial training of about one year, they are placed in field formations for "On Job training" (OJT), which is monitored by jurisdictional Zonal / Regional Campuses. In cases where the batch size is big, the probationers are divided among a few Zonal Campuses at the beginning itself for imparting induction training. On completion of OJT of about nine months, the probationers report back at NACIN Headquarters to undergo a Furbisher Course (4 weeks) which culminates into the end of training with a Passing-out-Parade (PoP). During the training period, probationers are sent on short-term attachments (1-2 weeks) to the National Police Academy, Wildlife Institute, Coast Guard etc., besides international attachments, for training in specialized areas.
- (b) Training of officers promoted to Group 'A':** All those officers who get promoted to Group 'A', are given specified training in one of the Zonal Campuses of NACIN.
- (c) Mid-Career Training of Group 'A' officers:** In terms of DoPT guidelines, all officers in Group 'A' services are required to undergo Mid-Career Training, depending on the length of their service and seniority. In the case of IRS (C&IT), the Mid-career training is conducted for Phase III, Phase IV and Phase V, which is handled by the NACIN Headquarters in collaboration with a premier management institute.
- (d) In-service Training:** Given the ever-changing nature of tax laws, rules and regulations and the administrative requirements for various posts under CBIC, NACIN undertakes specialized training of in-service officers from time to time. These trainings are regularly conducted at NACIN Headquarters as well as in Zonal/Regional Campuses, by involving faculty from NACIN, and other formations of CBIC, as well as by engaging experts from private as well as government institutions. Besides customs, indirect taxes and drug law enforcement, the topics covered are general administration, human resource management, training in data management and systems, procurement of goods and services, grievance redressal, personality development, staff welfare etc.

- (e) Training of State/UT officers in GST:** With the implementation of GST, uniformity has been brought in tax laws of the Union and the States, and NACIN has been actively conducting training for the State and UT officers in GST and allied areas. This work is being handled by both the Headquarters and the Zonal/Regional Campuses of NACIN.
- (f) Special training for officers of other services:** NACIN has also been conducting special training for officers of other departments (such as Defence, CAG), and probationers of other services (such as IA&AS, ITS and IFS), as and when required.
- (g)** NACIN has also been actively contributing to the HCFC Phase Out Plan of the Government of India in association with Ozone Cell, Ministry of Environment, Forest and Climate Change, and trains officers as well as other stakeholders in this area.
- (h) International Cooperation and Training:** At the international level, NACIN is a Regional Training Centre of the World Customs Organization for the Asia Pacific Region; a Regional Partner of United Nations Office on Drugs and Crime (UNODC) for strengthening Drug Law Enforcement Capacities in South Asia; Regional Capacity Building Partner and Collaboration Centre of United Nations Environment Programme (UNEP) for "Green Customs" in the Asia Pacific Region; and the Resource Centre for South Asia Sub Regional Economic Cooperation (SASEC) Customs Administrations and Asian Development Bank in the area of customs modernization and trade facilitation. NACIN also collaborates with the US Department of Energy and the National Nuclear Security Administration in training officers in the areas of trade control for non-proliferation of weapons of mass destruction and supply chain security. NACIN has also been collaborating with the Russian Customs Academy in training and scientific research through the mutual exchange of faculty, experts and trainees. In addition, NACIN also trains officers from a number of developing and least-developed countries in Customs and Narcotics under the ITEC scheme of the Ministry of External Affairs, Government of India.
